The notice in The Tribune & Herald of the 22nd an article in relation to the postponement of the execution of Jackson Jefferson Co. & Co. 27/26 - also a paragraph where he states that the murderer was refined, and should his career in St Joseph be investigated, that the murder in question is not the only one, that the above named soldier has been complicated in -

This from a public journal will do the prisoner great injustice, and it is thought that the error should be corrected, or sufficient reasons given to substantiate the fact. We would be glad to see the correction made through the papers who have published it. great a falsehood.

It is also currently reported in St Joseph that Jackson Jefferson, has been in the rebel army this I will say for the benefit of the loyal citizens of St Joseph is false - Mr J - ever has been a loyal, honest sober man until his arrival in St Joseph Mo where he has met with men (Citizens) who have had him astray from the paths of morality and have made him a drunkard as well as a murderer - We hope to hear no more of such language from loyal men of St Joseph Mo

Nor will this company be responsible for any error or delay in the transmission or delivery, or for the non-delivery, of any un-repeated message, beyond the amount paid for sending the message, unless in this matter specially insured, and amount of risk stated hereon, and paid for at the time. No liability is assumed for errors in cipher or obscure messages, nor in any liability assumed by this company for any error or neglect by any other company or person, or for any error or neglect by the agent of the order of this message to forward it over the lines extended beyond those of this company. ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 122. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster-roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

PAR. 123. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representative of the deceased.

PAR. 124. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

In accordance with
Orders from Hd. Qrs. Dist North Mo., I
will move tomorrow to Liberty Clay County to
enter upon the duties of Act Provost Marshal
of the 7th Sub Military Dist North Mo.—
Thinking only one Company as I understand
at that point, and that composed of new Militia
I would respectfully ask that my Company be sent
to that point. I would prefer having a few
men with me who I can wholly rely upon
to assist me in the discharge of my duties.
Liberty is undoubtedly one of the most important
points in North Mo. for a large force is to be
stationed there being convenient to their crossing point
and also convenient to the late hiding places

known in North Mo. that on Trucking River
and in the midst of Sympathizers and persons
who are willing to cooperate with them in any
thing they may see fit to enter upon
I am firm in the opinion that the day is not
far distant when Clay & Platte Counties will
again be overrun by Bushwhackers, and it seems
to be the opinion of all. I have talked with
Thraillkill has been seen in the last day or two
in Clay with a few of the men that he crept with
about he went on the South side of the river some
two weeks since. The General impression is that they
intend to keep up trouble until after the election
which I think quite probably is true

I would be glad to receive any instructions you may
deem necessary in reference to the manner in which
I should conduct the affairs in my branch of
business in the Sub Dist - Hoping the above
regard may meet with your approbation

of his strict intentions very materially
with his plans & operations - He has
become thoroughly acquainted with
the state of things in this region and
we think the remedy he suggests
and has begun to carry out is the
proper one to strike the rebellion and
and give us permanent peace -
Besides the loss on account of the
wounds he receives in this country
lost daily from the bankruptcy is
not able to move about or ride very
extensively and ought therefore to
have his headquarters as near as
possible in the center of his district

Act Pro Mail Office

Sir

Dear Sir

I hope you will not send
it out of place for me to inquire as to the
prospects of the approval of my resignation—
though it may be a breach of Military Discipline,
but it has been some four or five weeks
since I tendered it. I have heard nothing
from it yet. I am very anxious to get
back, feeling so indisposed at times from
the effects of my wounds. That I cannot do
my duty, yet if it is the will of the authorities
I will remain as long as I am able to do
them any service, and stay with them if ne-
cessary. Another summer. I have been in the
service about three years and ^{one} month—though
I do not know whether that would let me out
or not, from the fact that I was ~~in~~ mustered
about twenty months since, and mustered in for three
years.

Would you will please let me hear
from you soon.

I am Dear

Dear Sir,
I have just forwarded
my resignation to the Commanding Officer
of 9th Regt. of Col. which I suppose will
reach your Hd. Qrs. My reasons are that
I am not able to discharge the duties of
my Office on account of the constant
pain I am suffering from the wounds
I received in July, last, and in con-
sideration of this fact I hope you will
give it the favorable endorsement
I am very much obliged to you for the service from
the fact that I will not be able to return
to my home on account of the relations
that exist there.

I am, Sir,
Very Respectfully,
Yours, etc.

I received last night - information
from home, (which has been corroborated tonight -)
that - my Father, who has, for several years, been in very
feeble health, is now very low, lying at the point
of death. Apart from the feelings that would
take one to the bedside of a dying father, there
are still other considerations that necessitate my
presence at home in case of my Father's death!

I would therefore, respectfully request of you
a "leave of absence" of twenty (20) days duration.

My dear Sir. I have been endeavoring to write you for some time, congratulating you on your return to St. Louis, but from the report of Gen. Stebbins' proceedings, I now regret you left Helena, I am afraid he will undo all you did, for that section. It seems to me that many of our officers are fighting against the Govt, instead of for it. If the war had been carried on under your policy, it would have been near its end by this time. Thank God, the Govt has a policy at last.

My object in writing you is this, Judge Leonard has a son, Revere Leonard, a Captain of Company A in Quilley's Regiment of Mo S. M. now stationed at Glasgow. He distinguished himself at the battle of Kirksville, under Gen. McNeil. He is an accomplished young man, educated at Dartmouth College N.H. and then studied 2 years at Berlin Germany, talks German, and was about commencing his profession, when he hurried home from Berlin to accept service under the Govt.

He is too clean a youth, to be kept in this guerrilla war and you will confer a great favor on me, & Mrs. Leonard if you can

Council Bluffs, Iowa, 186

I will further say, that he is a young gentleman of perfect habits, of remarkable engaging address, and that if you have any position never so young not filled, which require fidelity, capacity, and address, that he is your man, your son Henry would find him a congenial companion. — I do not suggest any promotion, but a removal from his present backwhacking war. — If you can do nothing for him, perhaps you might get a ~~man~~ ~~for~~ him under Col. Grant, or at New Market, or even by troubling you with this, that I know of no one of whom I would ~~would~~ ask the favor, with my kindest regards to your family, I am most truly yours

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *h. p. &c.*, &c.; to describe particularly the disability, wound or disease; to state to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, position, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, a professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, last paragraph will state that the "discharge was made by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate." or, 1290 Regulations, Edit. 1891.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, epistaxis, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case is such certificate to be given until after sufficient time for examination to detect any attempt at deception.

DIRECTIONS.

The certificate will be made out in duplicate by the soldier's commanding officer, or other officer commanding the company detachment to which he belongs and sent by him to the surgeon who is in charge of the hospital where the soldier is sick. The surgeon then fills out and signs the surgeon's certificate, and forwards it to the regimental, detachment, or post commander, who forwards them, with his action endorsed thereon, through the proper channels, to his division commander; or, if the troops are attached to a division, to his corps, department, or other authority or officer to whom the authority to discharge is vested, may be specially delegated.

When the certificate, after having received the action of the high authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the command of the proper authority, sign the soldier's discharge, and the certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward of these certificates to the Adjutant General United States Army at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

Sir

I am just in receipt of your
Communication of Apr 21st stating
that you desire the service of some intelli-
gent young man who writes a good
hand. My first Sergeant. P. F. Sicker
the man to whom you alluded in your
Communication is a good scribe and
an intelligent and industrious young man.
He is remarkable for his close attention
to business. I would not be willing to
to part with him if it was not from
the fact that I have another man who can
fill his place. He also desires to be
placed on a duty of that kind.

Very Respectfully

Your Obedient Servant

Gen. Obitai:

Macon City.

Dear Sir: My son,

Samuel Loe, is private in Capt Ried's Company, 9th Cav. W. Va. He is under age, and my two oldest sons are also in the service. My situation is such that I am constrained to ask the discharge of my youngest son. He has now served nearly two years - as I am glad to hear, with credit to himself, and as I believe as long as there is any fighting to be done in Missouri - I therefore have the less hesitation in asking for his discharge.

Your attention to this will much oblige,

Your obt. Servt.
